**ROTARY INVOCATION**

On this day when we remember with gratitude those men and women who served the cause of Democracy and freedom in the Armed Forces of the United States, we also pause to remember a man who has, for many of us, been the incarnation of all the best that

our country has stood for, when it has stood tall and free and compassionate.

So much has already been said since his death -- so much more will be said -- that it is difficult to pick and choose words not already worn smooth. Manfred, for most of us, was a friend, a teacher, a craftsman in my craft, a leader in the community, a prophet. Take your pick . . . and offer your prayers.

Let us read from his book -- "When I look at Thy heavens, the work of Thy fingers, the moon and the stars which Thou hast established; what is man that Thou art mindful of him, and the Son of Man that Thou dost care for him? Yet, Thou hast made him little less than God, and does crown him with glory and honor." (Psalm 8)

Gracious Lord, Heavenly Father:

We pause to remember that small man of body, and mighty man of spirit who lived so gently, and yet so firmly and so well in our midst. We thank Thee for the times when, because of his presence, we were able to see one another in a warm and gentle light.

We thank Thee, O God, for one who suffered much in his native land, but forgave even more. We thank Thee, O Father, for his refreshing love of his adopted land.

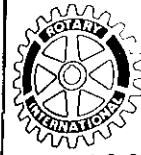

O God of Abraham, Isaac and Jacob, we are grateful to you for making the words of your Holy Book come alive -- "The spirit of man is the candle of the Lord." That light has shone so brightly for so long in this place because of our friend.

May we not forget, O God; for we will certainly become what we will remember in the days ahead. And we have much to remember.

Amen
